Take the A2 direction Faversham & Canterbury, When you reach the outskirts of Faversham you will pass the A249 (Ashford Road) on your right-hand side. From Ashford

Take the A249 (Ashford Road) to Faversham. The junction of the A249 and the A2 is notoriously difficult when turning right onto the A2 so we recommend you take the M2 (eastbound) slip road from the A249 (J6) direction Dover and then follow the directions for M2 (eastbound) above.

Proceed in the direction of Faversham, Sittingbourne and London. Leave the A299 on the slip road signposted to the A2 (keep an eye out for the sign as there is only one and it's hidden behind some trees! - if you accidentally continue onto the M2, come off at Junction 6, turn right at the top of the slip road take a left back onto the M2 and follow the M2 eastbound directions shown above!). At the top of the slip road go all the way round the roundabout and take the A2 London Road, direction Faversham. Selling Road is the first proper turning on your left, approximately 1.5 miles from the roundabout and opposite a Shell petrol station. From Faversham Station (Walking Directions)

When you reach the ramp at the bottom of the platforms turn right to reach the main station entrance. Turn right out of the main entrance and after about 200 metres take the walkway back over the railway line into the grounds of the church. Walk around the churchyard and on the far side take the public footpath that runs in a straight line, diagonally through the houses. This takes you to the main road (A2 Canterbury Road) by The Windmill public house. Turn left here and after approximately 500 metres you will see a Shell petrol station on your left, with Selling Road on your right. Cross the main road here (there are pedestrian islands on the main road) and into Selling Road. Macknade Fine Foods is approximately 50 metres on your left. **There is a clear and safe pedestrian pavement all the way from the station to Macknade.**

West Street Location

Our West Street store is located in the pedestrianised area of Faversham Town Centre. There are several car parks around the town centre so it is not practical to provide varied directions - ask any local person in the town centre and they should be able to give you directions to West Street!

Mersham-le-Hatch Location

From M20

Leave the M20 at Junction 10 (Ashford South). At the roundabout follow signs for the A20, direction Hythe.

At the mini-roundabout with Tesco on your right-hand side, proceed along the A20 for approximately 1.5 miles.

Just as the cricket pitch becomes visible you should take a turning to Mersham-le-Hatch on your left-hand side.
